

# ARE YOUR PROCESSING FEES GOING UP? We can help!

- ✓ Integrate payments seamlessly with your existing practice management software — **just pay less!**
- ✓ Reduce A/R in as little as 90 days
- ✓ Improve staff and patient experience

## You and your staff will:

- Automate overdue invoices by sending text/email reminders
- Store multiple cards on file
- Implement installments and recurring billing
- Get a **GUARANTEED** rate lock
- Count on a dedicated support rep and 24/7 support

## Patients can:

- Fill out forms electronically before visits
- Submit payments online
- Pay at any point of the care cycle — before, during or after

**Make the switch to integrated payments.  
You'll be glad you did.**
